Coming from Abu Dhabi:

Take the Sheikh Zayed Road to the Dubai World Trade Centre interchange and take the filter road off to the right onto the Trade Centre Roundabout. Then take the fifth exit off the roundabout onto Al Dhiyafah Road in the direction of Satwa. Turn left at the Al Dhiyafah Roundabout into Al Satwa Road and drive down the road until you reach the Emirat petrol station on the left hand side. Take the second right turning after the petrol station (not the right turning opposite the petrol station, but the right turning after that) onto Street 25. Spot On is in Rose House, which is the third office building on the right hand side of the road.

Coming from the Jumeirah Beach Hotel:

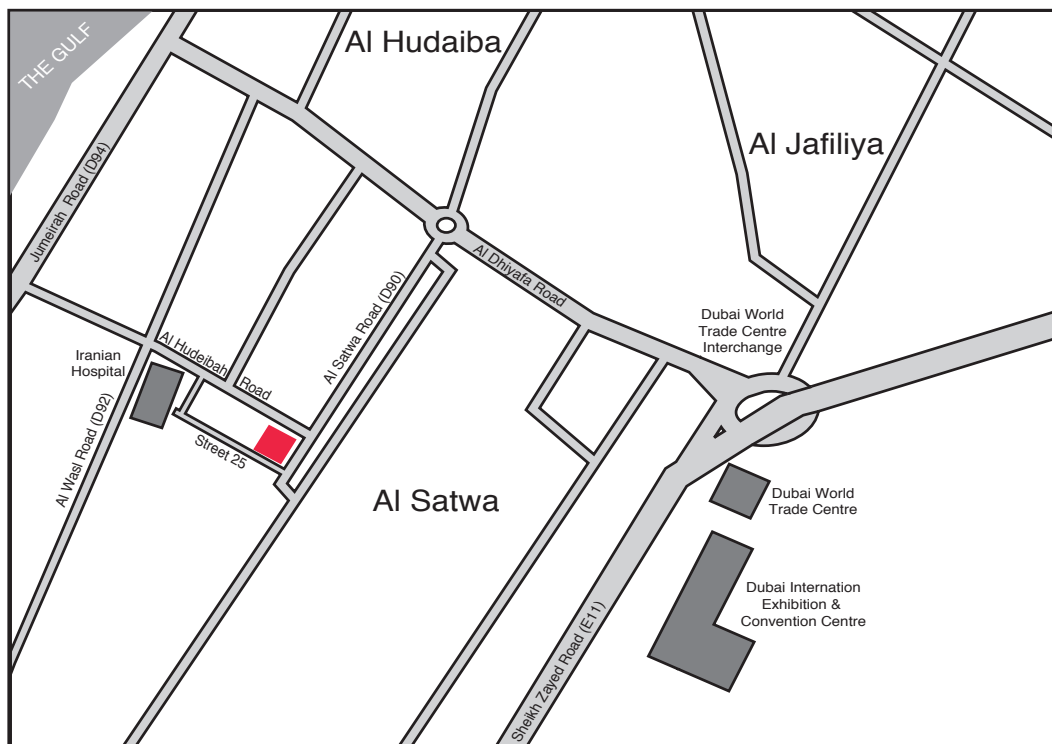

Follow the signs from the Jumeirah Beach Road to get onto the Al Wasl Road, which runs parallel to the Jumeirah Beach Road and drive towards Dubai. Continue along the Al Wasl Road until you reach the traffic lights in front of the Iranian Hospital and turn right past the Iranian Hospital onto Al Hudeibah Road. Turn right at the end of Al Hudeibah Road on to Al Satwa Road and then right again into Street 25. Spot On is in Rose House, which is the third office building on the right hand side of the road.

Coming from Dubai International Airport:

Take the Al Garhoud Road over the Al Garhoud Bridge and towards Sheikh Zayed Road and Abu Dhabi. Just before reaching the Dubai World Trade Centre interchange, follow the signs to Satwa and take the filter road off to the flyover on the right (not the underpass on the left side of the road). The flyover will take you onto Al Dhiyafah Road and towards the Dhiyafah Roundabout. Turn left at the Al Dhiyafah Roundabout into Al Satwa Road and drive down the road until you reach the Emirat petrol station on the left hand side. Take the second right turning after the petrol station (not the right turning opposite the petrol station, but the right turning after that) onto Street 25. Spot On is in Rose House, which is the third office building on the right hand side of the road.
